Photo by radiospike photography. This is the ability of the receiver to change and alter the message so the intention of the communicator or sender is understood. This should be done by paraphrasing the words or restating the sender's feelings or ideas in your own words, rather than just repeating their words.

Designing Learning Experience for Performance

"Ideas are like rabbits. You get a couple and learn how to handle them, and pretty soon you have a dozen." When I mentored student teachers I told them, "If I could offer one piece of advice for every teacher — it would be to do think-pair-shares in the class every day." The think-pair-share is a ...

Readability is the ease with which a reader can understand a written text. In natural language, the readability of text depends on its content (the complexity of its vocabulary and syntax) and its presentation (such as typographic aspects like font size, line height, and line length). Researchers have used various factors to measure readability, such as ...
