Age Of Absolutism Section 1

Absolute monarchy is a form of monarchy in which the monarch holds supreme authority and where that authority is not restricted by any written laws, legislature, or customs. These are often hereditary monarchies. In contrast, in constitutional monarchies, the head of state's authority derives from and is legally bounded or restricted by a constitution or legislature.

Well, here's a new wrinkle: One of my facebook readers pointed out the although APA guidelines at one time reduced the required spacing after a period from two down to one, they returned it to two in 2009 in the 6th Edition (see section 4, first bullet). Other readers also informed me that in the legal world, two spaces is still the norm.
