CCIE Requirements. CCIE candidates must first pass a written qualification exam and then the corresponding hands-on lab exam. Though there are no formal requirements to take a CCIE certification exam, an in-depth understanding of the topics on the exams and three to five years of job experience are expected before attempting certification.

CCIE Certification - Wikipedia

The Infosec PMP boot camp is the only program on the market that allows you to take the exam on the fifth day of class. Every other program will have at least a 2-4 week wait after class to test, yet studies show that adults will forget almost 50% of what they learn in a class within two weeks of the end of a class.
