The most characteristic thing about mental life, over and beyond the fact that one apprehends the events of the world around one, is that one constantly goes beyond the information given.

Understanding Understanding - ASCD

My son is 3 and he does all but 10 or so of the items above. I know all children are different and develop at a different rate, but if you spend time with your child every day, read them a story, play with them, and expose them to different environments, they inevitably pick things up.

Kindergarten Readiness: 71 Things Your Child Needs to Know

One of the issues that many people struggle with is recognising when they're being used, which is when a person avails themselves of something or someone as a means of accomplishing their chief aim. They exploit what they perceive as a vulnerability in order to gain an advantage. While there are instances when it's quite [...]
