I've created this special page on my blog to house all of the posters I have created for my classroom over the past few years. I have made them free for you to download and use in your own classroom as a way to say thank you to the thousands of people I've stolen teaching ideas from on the internet.

Subscribe to my channel so that you can be part of the "Community Tab" and access more helpful information. If you get any tutoring from me, I am now giving the Core Nursing Fundamentals for FREE ...

anneliese garrison - YouTube

Problem-based learning (PBL) is a student-centered pedagogy in which students learn about a subject through the experience of solving an open-ended problem found in trigger material. The PBL process does not focus on problem solving with a defined solution, but it allows for the development of other desirable skills and attributes. This includes knowledge acquisition, enhanced group ...
