Common Places: Integrated Reading and Writing supports the interdependence of reading and writing with the premise that good writers are always engaged in the reading process, not only when they are reading apart from writing, but also as they switch between the roles of reader and writer during the writing process. This multi-level text focuses on using readings as models for writing ...

This list of metro systems includes electrified rapid transit train systems worldwide. In some parts of the world, metro systems are referred to as subways, U-Bahnen or undergrounds. As of December 2017, 178 cities in 56 countries around the world host the approximately 180 metro systems that are listed here. The London Underground first opened as an "underground railway" in 1863 and its first ...

Daniel R. R. v. State Board of Ed. found that regular education placement is appropriate if a child with a disability can receive a satisfactory education, even if it is not the best academic setting for the child. Non-academic benefits must also be considered. The Court stated that "academic achievement is not the only purpose of mainstreaming.
