World history or Global history (not to be confused with diplomatic, transnational or international history) is a field of historical study that emerged as a distinct academic field in the 1980s. It examines history from a global perspective. It is not to be confused with comparative history, which, like world history, deals with the history of multiple cultures and nations, but does not do so ...

I'll be in Italy for the second half of September to promote the crowdfunded Italian compilation, "Il Pazzo Mondo a Stelle e Strisce" (which I think translates roughly as "The Crazy World of Stars and Stripes"). This is the itinerary that I have so far; I will update this as I get more information.
