Who invented the sandwich? When? Where? And Why? Acknowledging the fact that combinations of bread/pastry filled with meat or cheese and dressed with condiments have been enjoyed since ancient times, Food historians generally attribute the creation of the sandwich, as we know it today, to John Montagu, 4th Earl of Sandwich. This Englishman was said to have been fond of gambling.

Incredible! I had some ricotta that was going to go bad soon so searched for recipes on your site and was thrilled to find this one. I made these muffins, left for a few hours and my 3 year old, the babysitter and my mother had devoured them and they were asking when I was going to make them again!! I only change I made was to reduce the sugar to 1/2 cup and they were perfect to us.
