technology rocks. seriously.: Money, Money, Money!

Differentiated instruction is a teaching philosophy based on the premise that teachers should adapt instruction to student differences. Rather than marching students through the curriculum in lockstep, teachers should modify their instruction to meet students' varying readiness levels, learning preferences, and interests.

Differentiating Instruction - ASCD

My son is 3 and he does all but 10 or so of the items above. I know all children are different and develop at a different rate, but if you spend time with your child every day, read them a story, play with them, and expose them to different environments, they inevitably pick things up.
