World History Cultures Christian Perspective

World history or Global history (not to be confused with diplomatic, transnational or international history) is a field of historical study that emerged as a distinct academic field in the 1980s. It examines history from a global perspective. It is not to be confused with comparative history, which, like world history, deals with the history of multiple cultures and nations, but does not do so

...

World history - Wikipedia

The Western world, also known as the West, refers to various nations depending on the context, most often including at least parts of Europe (Western and Northern Europe), Australasia, and North America (The United States and Canada), with the status of Commonwealth and Latin America in dispute. There are many accepted definitions, all closely interrelated.

Christian Church History | History of Christianity Books

In April 1607 Englishmen aboard three ships—the Susan Constant, the Godspeed, and the Discovery—sailed forty miles up the James River (named for the English king) in present-day Virginia (named for Elizabeth I, the Virgin Queen) and settled on just such a place. The uninhabited peninsula they selected was upriver and out of sight of Spanish patrols.

Edward B. Tylor's Primitive Culture articulates one of two major theories of culture to emerge around 1870. His theory defines culture in descriptive terms as the "complex whole" that makes up social ideas and institutions, and in this it helped to establish anthropology as a recognized science.

Peter Melville Logan, "On Culture: Edward B. Tylor's ...

the local communities began to develop, in terms of both wealth and politics. Because being a successful merchant was based on production and merit, not on traditional community standing, many former slaves and lower-class people soon found that they could advance quickly up the social ladder.
