Lt. Gen. Gina Grosso recently gave an interview to Air Force Times about potential changes to the Officer Evaluation System. But in the course of that interview, she made interesting comments about the service's fitness program ... comments that are already creating high-volume chatter in the Air Force community. "How much brawn does the military [...]"

A period of time must be allowed for the test takers to challenge the validity of test questions. This process further ensures the Air Force is administering tests that are technically accurate. If a test question is challenged, the Air Force Occupational Measurement Squadron, at Randolph AFB, reviews the validity of each question.

If you believe the company line, Air Force officer promotions are all about selecting the best performers for the biggest jobs, matching responsibility with capability. In this romanticized version of things, the best leaders reach the highest ranks, with generals forming an elite corps. The truth is more complicated. The officer promotion system sometimes gets it right, [...]

The Air Force Officer Qualifying Test is a standardized test similar to the SAT and ACT. The AFOQT measures aptitudes and is used to select applicants for officer commissioning programs, such as Officer Training School (OTS) or Air Force Reserve Officer Training Corps (Air Force ROTC). It is also used for selection into specific training programs such as pilot and navigator training.

APJ Editorial Abstract: Just as the attacks of 11 September 2001 refocused national attention on terrorism, so did the shootdown of an F-117 stealth aircraft over Kosovo in 1999 serve as a wake-up call for the Air Force to improve tactics, techniques, and procedures relating to the suppression of enemy air defenses. Dr. Lambeth paints a mixed picture of success and frustration during NATO's ...
