Link to Departments website. The major in Accounting at UGA is designed to give students an understanding of the theory of accounting as it is used in our society: accounting standards, financial statement preparation, product costs, budgeting, taxation, auditing, risk assessment, and controls.

University of Georgia

A simulation is an approximate imitation of the operation of a process or system; the act of simulating first requires a model is developed. This model is a well-defined description of the simulated subject, and represents its key characteristics, such as its behaviour, functions and abstract or physical properties.

Simulation - Wikipedia

A virtual learning environment (VLE) is a system that creates an environment designed to facilitate teachers' management of educational courses for their students, especially a system using computer hardware and software, which involves distance learning. In North America, a virtual learning environment is often referred to as a "learning management system" (LMS).

History of virtual learning environments - Wikipedia

Best answer: After you buy the receiver you go to orbytv.com to schedule and pay for installation. The antenna does not cost extra. It is a part of the basic installation (\$150). The installer will bring both a dish and an outdoor antenna, professionally install both of them, and connect them to your receiver.
