At this time, there's insufficient evidence to say that high-fructose corn syrup is any less healthy than other types of sweeteners. It is known, however, that too much added sugar of all kinds — not just high-fructose corn syrup — can contribute unwanted calories that are linked to health problems, such as weight gain, type 2 diabetes, metabolic syndrome and high triglyceride levels.

The process of strategic management lists what steps the managers should take to create a complete strategy and how to implement that strategy successfully in the company. It might comprise from 7 to nearly 30 steps [4] and tends to be more formal in well-established organizations.. The ways that strategies are created and realized differ. Thus, there are many different models of the process.
