World History Modern Times Textbook

World history or Global history (not to be confused with diplomatic, transnational or international history) is a field of historical study that emerged as a distinct academic field in the 1980s. It examines history from a global perspective. It is not to be confused with comparative history, which, like world history, deals with the history of multiple cultures and nations, but does not do so ...

The history of medicine shows how societies have changed in their approach to illness and disease from ancient times to the present. Early medical traditions include those of Babylon, China, Egypt and India. The Indians introduced the concepts of medical diagnosis, prognosis, and advanced medical ethics. The Hippocratic Oath was written in ancient Greece in the 5th century BCE, and is a direct ...

Volume I, in the words of the author: In Volume I of The Mystery of History, I cover world history from Creation to the death and resurrection of Jesus Christ. The text spans the incredible stories of ancient times, ancient lands, and ancient peoples. Where most ancient studies encompass only Egypt, Greece, and Rome, The Mystery of History goes much farther.
