April is Autism Awareness Month. The topic of autism among our youth and adults is something I'm quite passionate about. You might be surprised to know that 1 in 68 births in the United States receive an autism diagnosis with that number increasing every year.. Autism Speaks, a leading autism advocacy non-profit, defines autism as a group of complex disorders of brain development that is ...

Checks and balances assumes that Representatives take their Oath of Office, and duties seriously. Turns out though, one party noticed that if they were all willing to cheat at the same time, they could block the other party from enforcing the rules.. Checks and balances require that GOP senators and congressmen have enough moral fortitude to not discard their sworn duties in the name of Greed.
