Income taxes in the United States are imposed by the federal, most state, and many local governments. The income taxes are determined by applying a tax rate, which may increase as income increases, to taxable income, which is the total income less allowable deductions. Income is broadly defined. Individuals and corporations are directly taxable, and estates and trusts may be taxable on ...

For landowners, donating a conservation easement is a way to protect places they love. It's also a major financial decision. When landowners donate a conservation easement, they give up part of the value of their property — often their family's biggest asset. Tax incentives offset some of that loss in property value, making conservation a viable option for more landowners.

Each tax year, you get an ISA allowance which sets the maximum you can save within the tax-free wrapper from April to April. The previous ISA system used to limit how much you could put into each pot – you'd get half your allowance in cash and half in shares, or you could choose to put it all

in cash or all in shares.
