Sample Introductions to Problem-Solution Essays. "The modern-day apartment dweller is faced with a most annoying problem: paper-thin walls and sound-amplifying ceilings. To live with this problem is to live with the invasion of privacy. There is nothing more distracting than to hear your neighbors' every function.

Problem-Solution Essays: Definition and Examples

To me, the difference between a solution to a problem and a solution for a problem is that the latter indicates a possible, suggested solution (yet to be verified as something that truly solves the problem), while the former is a more definitely efficient solution—if applicable, the only possible solution.

word choice - "Solution for" or "solution to" a problem ...

The problem is the solution. If you strip any project down to its essence, you'll find there are two fundamental tasks. The first is defining the problem that you're trying to solve, and the second is actually setting out to solve it. It sounds pretty intuitive, but I think that first step usually receives short shrift.
