Are you ready to learn nursing and health care skills via the Internet? According to author Diane J. Skiba, unless you are within 5 years of retirement, you will be encountering the "Net generation" in your nursing practice. This is a group that embraces technology, and it believes that health care, like education, is in the dark ages when it comes to technological usage.

jessica: I am interested in creating emotionally engaging, concept-driven work that is embodied in beautiful forms. I always try to approach the process in a playful way, with a sense of humor. I want people who view my work to experience or feel something, whether it makes them think, brings them joy, or offers them inspiration.
