Signal Detection Theory: Definition & Examples - Study.com

Translation is the communication of the meaning of a source-language text by means of an equivalent target-language text. The English language draws a terminological distinction (not all languages do) between translating (a written text) and interpreting (oral or sign-language communication between users of different languages); under this distinction, translation can begin only after the ...

Purgatory (Latin: purgatorium, via Anglo-Norman and Old French) is, according to the belief of some Christians, an intermediate state after physical death for expiatory purification. There is disagreement among Christians whether such a state exists. Some forms of Western Christianity, particularly within Protestantism deny its existence. Other strands of Western Christianity see purgatory as ...
