Economics is much broader than the study of recessions and inflation or stocks and bonds. Economists study decision making and incentives, such as the incentives for a firm to stop polluting and how taxes create incentives for labor market and savings behavior.

Economics < Yale University

College Board is an American not-for-profit organization that was formed in December 1899 as the College Entrance Examination Board (CEEB) to expand access to higher education. While College Board is not an association of colleges, it runs a membership association of institutions, including over 6,000 schools, colleges, universities and other educational organizations.
