Parents: Monitor the amount of time and the time of day your children spend playing video games and using technology. Caution: Technology use can have negative affects on the body, and may affect sleep and concentration. Dunckley (2011) indicated when video games and electronic devices are used in the dark, the unnatural brightness of the screen inhibits the body from producing melatonin, the ...

To beat the ACT, one of the most important things you can do is educate yourself for what to expect. The testing day is very structured and strict in terms of what is allowed, but it is pretty straight forward and simple to follow as long as you keep focus in the place where it belongs, and that is on the test itself.
