Progressive education is a pedagogical movement that began in the late nineteenth century; it has persisted in various forms to the present. The term progressive was engaged to distinguish this education from the traditional Euro-American curricula of the 19th century, which was rooted in classical preparation for the university and strongly differentiated by social class.

Progressive education - Wikipedia

Country recognition statements. The International Baccalaureate® (IB) makes a concerted effort to track and communicate the level of recognition, for IB programmes, in countries around the world.
