In Search of Book of Mormon Geography. Below is the modern map of the area of Smith's Youth. The Book of Mormon is supposed to be a history of real people living in a real place. For the first 150 years of Mormonism's existence, everyone thought it was a story about a people who left the Middle East and came to South or Central America, and who fought wars clear up into New York state where ...

Book of Mormon Difficulties, Contradictions and Explanations

This chapter introduces technology managers to certain key issues and to six methods of valuation and pricing. The value of a technology to a buyer (licensee) depends upon how it is to be commercially employed, taking into account the cost of development, the time the technology takes to generate returns, the extent of such financial returns, and the risk involved in the process.
