You were reading a particularly good part of your assigned English reading book, Friday Night Lights, when the bell rang overhead. You sighed and closed your book, lunch was over. Time for class, you thought bitterly, picking up your bag after shoving the book on the table inside. The crowd swallowed you up and pushed you towards the large, open doors of the cafeteria where you could barely see ...

Intermittent fasting is not a diet, but rather a dieting pattern.. In simpler terms: it's making a conscious decision to skip certain meals on purpose. By fasting and then feasting on purpose, intermittent fasting generally means that you consume your calories during a specific window of the day, and choose not to eat food for a larger window of time.
