Variation: Goat Milk Formula. Although goat milk is rich in fat, it must be used with caution in infant feeding as it lacks folate and is low in vitamin B 12, both of which are essential to the growth and development of the infant. Inclusion of nutritional yeast to provide folate is essential.

Homemade Baby Formula - The Weston A. Price Foundation

Although I feel that Loulouka is the best formula around, I understand that getting a formula from Europe isn't for everyone.. If you want an organic baby formula that you can get in this country, my vote is Happy Baby. I'm putting this above Baby's Only because it is approved for infants, and ahead of Plum Organics because it doesn't contain taurine.
