Welcome! The Spokane City/County Historic Preservation Office and the Spokane Historic Landmarks Commission are local government programs that share responsibility for the stewardship of historic and architecturally significant properties within the City of Spokane and unincorporated areas of Spokane County.

Spokane Historic Preservation Office

This chapter provides an overview of the QoS design and deployment process. This process requires business-level objectives of the QoS implementation to be defined clearly and for the service-level requirements of applications to be assigned preferential or deferential treatment so that they can be analyzed.

Canning is a method of preserving food in which the food contents are processed and sealed in an airtight container. Canning provides a shelf life typically ranging from one to five years, although under specific circumstances it can be much longer. A freeze-dried canned product, such as canned dried lentils, could last as long as 30 years in an edible state.
