The economy of Mexico is the 15th largest in the world in nominal terms and the 11th largest by purchasing power parity, according to the International Monetary Fund. Since the 1994 crisis, administrations have improved the country's macroeconomic fundamentals. Mexico was not significantly influenced by the 2002 South American crisis, and maintained positive, although low, rates of growth after ...

The term skip trace refers to the process of searching for people who have moved to another place. The term also applies to people who have decided to alter their names. Purpose Tracing is usually done to find persons who don't pay child support or have debts. But the same technique can be used for finding relatives. Anyone can trace, but most of the time people hire private investigators to ...

wait The verb wait is intransitive, although there is an established idiom ``wait your turn." There's a perfectly serviceable transitive verb await, but with some exceptions (like ``await further developments"), it seems to be regarded as stiff or formal.Thus, what would be the direct object of await is normally drafted into a prepositional phrase, to function as an adverbial modifying wait.
