AP Chemistry Updates and New Resources for 2019-20. To help more students prepare for—and succeed on—the AP Chemistry Exam, we've clarified the course's focus starting with the 2019-20 school year and are introducing new resources for your classroom. We've also moved exam registration to the fall, a best practice that improves students' chances of earning college credit and placement.

AP Chemistry: The Course | AP Central - The College Board

Wants - Simply the desires of citizens. Wants are different from needs as we will see below. Wants are a means of expressing a perceived need. Wants are broader than needs. Needs: These are basic requirements for survival like food and water and shelter. In recent years we have seen a perceived shift of certain items from wants to needs.
