Vtech 2 Handset DECT 6.0 Expandable Cordless Telephone ...

Tip 1 of 1. During initial setup or after a power loss, you may need to set the time. If the time is not set, CL will be flashing in the base display window. NOTE: If you have caller ID service, the time will automatically be updated whenever caller ID information is delivered. However, since caller ID delivers the date, rather than the day, you must program the year once so the system can ...

Product Support | VTech® Cordless Phones

Don't worry about having to tell everyone about your new number. When you switch to Wireless Home Phone, you can keep your current number*. You won't need a new phone either: It's compatible with corded and cordless telephones.
