What is a Metaphor? | Worksheet | Education.com

Math and Metaphor 85. To a veteran of your caravans, Make good this oath with eye and voice: Look to the ink of stalwart pens In your aimless waste of parchment. For never will your proofs amend Those errors in your quotient. Day upon day you dulled my lead As ere you chased the numbers 'round.

Math and Metaphor: Using Poetry to Teach College Mathematics

A metaphor is a figure of speech that is used to make a comparison between two things that aren't alike but do have something in common. Unlike a simile, where two things are compared directly using like or as, a metaphor's comparison is more indirect, usually made by stating something is something else.
