The Virtual Classroom. The RVA virtual classrooms are just like typical classrooms in a brick and mortar school but with small differences that we believe help students focus and thrive.

Rural Virtual Academy

A virtual learning environment (VLE) is a system that creates an environment designed to facilitate teachers' management of educational courses for their students, especially a system using computer hardware and software, which involves distance learning. In North America, a virtual learning environment is often referred to as a "learning management system" (LMS).
