Zoning in the United States includes various land use laws falling under the police power rights of state governments and local governments to exercise authority over privately owned real property. The earliest zoning laws originated with the Los Angeles zoning ordinances of 1908 and the New York City Zoning resolution of 1916. Starting in the early 1920s, the United States Commerce Department ...

Zoning in the United States - Wikipedia

The NYC Zoning Resolution determines the allowable size and use of buildings, where they are located and the densities of the city's neighborhoods. The City is divided into three basic zoning districts: Residential (R), Commercial (C), and Manufacturing (M), which are then further divided into low, medium, and high density districts. There may be different zoning districts within the same ...
