About Active Listening. The way to improve your listening skills is to practice "active listening." This is where you make a conscious effort to hear not only the words that another person is saying but, more importantly, the complete message being communicated.. In order to do this you must pay attention to the other person very carefully.

Commentary by Timothy Horrigan; January 27, 2009 (last updated November 15, 2011). Many of us find ourselves in need of whatever dumb job we can get. And one dumb job which is still reasonably abundant even in these bad times is "Big Box" Retail. Many of these stores use a seemingly inscrutable personality test called the "Unicru" test.

My middle school and high school students still struggle with attention and listening skills in both academic and social situations. Most consider themselves too old to use the term "Whole Body Listening" so I created this resource to help them become * active listeners * and take control of their attention skills.! Lessons are sequential, introducing and building upon skills.
