World history or Global history (not to be confused with diplomatic, transnational or international history) is a field of historical study that emerged as a distinct academic field in the 1980s. It examines history from a global perspective. It is not to be confused with comparative history, which, like world history, deals with the history of multiple cultures and nations, but does not do so ...

Best answer: Yes, tariffs are going to be lifted on steel and aluminium, because it looked like the new NAFTA (CUSMA) deal wouldn't be ratified until they were. As for the war of 1812, it was the British who beat the Americans. There was no such country as Canada then, but the British victory over the USA was a stepping stone in making Canada a Country.
