Higher education in Alberta trains students in various academic and vocational specializations. Generally, youth attend school from kindergarten until grade twelve, at which time they have the option to continue into post secondary study. Students are required to meet the individual entrance requirements for programs offered at the institution of their choice.

Higher education in Canada - Wikipedia

Distance education or long-distance learning is the education of students who may not always be physically present at a school. Traditionally, this usually involved correspondence courses wherein the student corresponded with the school via post. Today it involves online education. Courses that are conducted (51 percent or more) are either hybrid, blended or 100% distance learning.
