Active reading takes more time. Make sure to leave enough time for students to truly engage with the text. Choose one or two active reading strategies and use them early and often. When students are familiar with the routines, they will get more out of them. Use the same reading strategies across subject areas – they are not limited to science.

Active Reading Strategies | Science Notebook Corner

Active reading has many benefits. First and foremost, through previewing, reading, and reviewing, it gets you involved in the material. When you read to collect data and retain information, active reading skills act as a catalyst for critical thinking skills that must be applied in a systematic way.
