What are some ways that we can gauge vocabulary development in the content areas? In this article, the authors explain how the intricacies of word knowledge make assessment difficult, particularly with content area vocabulary. They suggest ways to improve assessments that more precisely track students' vocabulary growth across the curriculum, including English language

Classroom Vocabulary Assessment for Content Areas ...

I completed a Masters Degree at Ryerson University on the rise and increasing role of algorithms in the governance of our society.. I'm presently investigating the impact of artificial intelligence and cognitive computing on all sectors and industries.. Leadership, learning, and innovation are three subjects that motivate my work, and fuel my passions.
