Ask any teacher who has had success using a word wall to build vocabulary and spelling skills and you'll likely hear the same explanation as that provided by middle-school staff developer Melba Smithwick: The key to success with word walls, said Smithwick, is to refer to them often, so

students get in the habit of using the wall throughout the day, in all their assignments.

### **Word Wall Activities Build Skills | Education World**

A virtual world is a computer-based simulated environment which may be populated by many users who can create a personal avatar, and simultaneously and independently explore the virtual world, participate in its activities and communicate with others. These avatars can be textual, two or three-dimensional graphical representations, or live video avatars with auditory and touch sensations.
