The biggest thing you can do to improve your SAT Critical Reading score is to focus on the main idea of the passage. If you're having trouble with the critical reading passages, you're probably getting stuck on the details and missing the main idea. Most of the questions, even if they're about specific details, relate back to the main idea in some way.

1 Computing with Language: Texts and Words. We're all very familiar with text, since we read and write it every day. Here we will treat text as raw data for the programs we write, programs that manipulate and analyze it in a variety of interesting ways. But before we can do this, we have to get started with the Python interpreter.
