The General Education Development (GED) tests are a group of four subject tests which, when passed, provide certification that the test taker has United States or Canadian high school-level academic skills.It is an alternative to the US High school diploma, HiSET and TASC test. The GED Testing website currently does not refer to the test as anything but "GED".

General Educational Development - Wikipedia

The Three-Fifths Compromise was a compromise reached among state delegates during the 1787 United States Constitutional Convention. Whether and, if so, how slaves would be counted when determining a state's total population for legislative representation and taxing purposes was important, as this population number would then be used to determine the number of seats that the state would have in ...
