Why is my grade curved? Once the total composite scores are calculated, Collegeboard curves them differently each year to keep consistent standards and regular pass rates, which means we can only estimate based off of previous years. Why use AP Pass? I use only past released exam formulas published by Collegeboard, which makes AP Pass the most accurate and up-to-date calculator available.

AP Psychology Test Score Calculator - AP Pass

Multiple choice or objective response is a form of an objective assessment in which respondents are asked to select only correct answers from the choices offered as a list. The multiple choice format is most frequently used in educational testing, in market research, and in elections, when a person chooses between multiple candidates, parties, or policies.

Music psychology, or the psychology of music, may be regarded as a branch of both psychology and musicology. It aims to explain and understand musical behaviour and experience, including the processes through which music is perceived, created, responded to, and incorporated into everyday life. Musicology is the study of music. ("Musicology" Britannic Academic, 2013).
