Best Answer: I think I did really well. The only question that threw me off was the first free response. My AP Bio teacher got pregnant during the year and covered all the material before her due date (March 31, had baby on April 2) except Chi squares. Other than that I knew all the material, and the fact ...

As a rising senior and a future biologist, i was pretty devastated when I received a 4 on the revised

AP test. I was certain that i would get a 5 because I have gotten 5's on the practice tests and had diligently read through two practice books revised for the new test. I just think it is really unfair for collegeboard to give such a hard curve for the test because it is the first year the new ...

I definitely think the format of the new AP Bio exam was ridiculous.. Multiple Choice: It did not feel at all like an AP Biology exam that tested you on knowledge of biology. Yes, Collegeboard wanted to change it into a test that required more than just "memorization", but the questions barely touched many concepts.
