Twelfth grade, senior year, or grade 12 is the final year of secondary school in most of North America. In other regions it is also equivalently referred to as class 12 or Year 13. In most countries students then graduate at age 18. Some countries have a thirteenth grade, while other countries do not have a 12th grade/year at all. Twelfth grade is typically the last year of high school ...

The United Kingdom's culture is influenced by its history as a developed state, a liberal democracy and a great power; its predominantly Christian religious life; and its composition of four countries—England, Scotland, Wales and Northern Ireland—each of which has distinct customs, cultures and symbolism. To a lesser extent the culture of Greece has also somewhat influenced British culture ...

Culture of the United Kingdom - Wikipedia

The blood in Irish veins is Celtic, right? Well, not exactly. Although the history that used to be taught at school said the Irish were a Celtic people who had migrated from central Europe, the latest studies of Irish DNA tell us a very different story. Research done into the DNA of the Irish has ...
