Question: "What does the Bible say about conflict resolution?" Answer: Conflict resolution in the body of Christ is crucial for several reasons. Avoidance of conflict, with no effort to resolve it, postpones a proper response and exacerbates the problem because conflicts that are allowed to fester unaddressed will always increase and have negative effects on relationships within the body.

Thanks for a VERY useful site, Carlton, which I have used several times since HD TV sets came out some years back. Just replaced a 5 year old 50" plasma set (that developed a horizontal line) with another 51" plasma set, 720p, (\$399), same brand (it was easy to put all the connections in the same places and not have to use a different remote).

The Ontario Construction Lien Act, 2017 was given Royal Assent on December 12, 2017 as S.O. 2017 C.24. This statute changes the name of the Ontario Construction Lien Act to the Construction Act (which I will refer to as the new Act) and fundamentally changes the law relating to construction projects in Ontario.. Before further comment, it should be noted that different parts of the new Act will ...

### **The Ontario Construction Act: What Does It Mean ...**

Mean time to repair (MTTR) is a basic measure of the maintainability of repairable items. It represents the average time required to repair a failed component or device. Expressed mathematically, it is the total corrective maintenance time for failures divided by the total number of corrective maintenance actions for failures during a given period of time.
