What is a minority group? Thomas & McDonell (1995) define a minority group as "a section of society whose identity is determined by cultural properties not shared by all members of the society and whose needs are not necessarily served when the needs of the society as a whole are being served" (p. 185). By definition, they add, "minority markets are too small to be self-sustaining for ...

jessica: I am interested in creating emotionally engaging, concept-driven work that is embodied in beautiful forms. I always try to approach the process in a playful way, with a sense of humor. I want people who view my work to experience or feel something, whether it makes them think, brings them joy, or offers them inspiration.
