About Active Listening. The way to improve your listening skills is to practice "active listening." This is where you make a conscious effort to hear not only the words that another person is saying but, more importantly, the complete message being communicated.. In order to do this you must pay attention to the other person very carefully.

IF you take your time and practice the way you should, passing the exam will be easy for you. However, if you rush through the exam, or you are not able to spot errors the way you might think, you risk failing it. Therefore, it is highly recommended to enroll with the expectation you may spend longer than 2-4 months to become the proofreader you need to be — the one that can not only get
