The American Civil War was the most deadly and arguably the most important event in the nation's history. Sectional tensions enshrined in the Constitution erupted into a brutal war that cost over 600,000 lives and cleaved a nation in two.. It was a war that would come to define America—that would answer the "slavery question" once and for all.

The Civil War - Shmoop

"Robber baron" is a derogatory metaphor of social criticism originally applied to certain late 19th-century American businessmen who were accused of using unscrupulous methods to get rich, or expand their wealth, for example Cornelius Vanderbilt taking money from government-subsidized shippers, in order to not compete on their routes.

Robber baron (industrialist) - Wikipedia

Reconstruction refers to the period following the Civil War of rebuilding the United States. It was a time of great pain and endless questions. On what terms would the Confederacy be allowed back into the Union? Who would establish the terms, Congress or the President?

Reconstruction [ushistory.org]

How did proponents of slavery in antebellum America defend it as a positive good? Understanding. With an argument that was as much a critique of industrialism as it was a defense of slavery, Southern spokesmen contended that chattel slavery, as it was practiced in the American South, was more humane than the system of "wage slavery" that prevailed in the industrial North and Great Britain.

A Pro-Slavery Argument, 1857 - America in Class ...

In the closing decades of the nineteenth century, during what has become known as the Gilded Age, the population of the United States doubled in the span of a single generation. The nation became ...
