In the philosophy of mathematics, intuitionism, or neointuitionism (opposed to preintuitionism), is an approach where mathematics is considered to be purely the result of the constructive mental activity of humans rather than the discovery of fundamental principles claimed to exist in an objective reality. That is, logic and mathematics are not considered analytic activities wherein deep ...

Starting with Office 365, I don't know maybe even for Word 2013 or 2016. It has Online Addin called "Code Format" . Install that Office Addin and in your word doc you can just select all code (even multiple pages) and click convert it button from the Code Format addin and it converts it into a formatted color code with line numbers.

How do you display code snippets in MS Word preserving ...
