Vbscript Objective Questions And Answers

I came across this post and went back to an approach that I used some time ago which is similar to @MadAntrax's. The main difference is that it uses a VBScript user-defined class to wrap all the logic for switching to CScript and outputting text to the console, so it makes the main script a bit cleaner.

windows - vbscript output to console - Stack Overflow

Here are some of the scrum interview question and its answers which I generally ask when I am interviewing a candidate who claims to know Agile scrum methodology.
