37 Learning Objectives How does parliamentary staff know what they know? After studying this unit you should: • Be able to recognize the role of research in meeting the basic information

UNIT 4: Research Services For Parliamentary Committees

The numbers are based upon the sortable list below. Please see it for details and references. Note that what is measured is the popularity of the word czar, rather than an objective measure of authority.. Also note that under George W. Bush only 33 Czar titles had been currently found, thus only 33 Czars, although many of these titles were used by several distinct individuals.
